Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

In response to the Notice of Allowance, dated as mailed on September 30, 2005, and having a period of response extending through and including December 30, 2005.

REMARKS

Applicant thanks the Examiner for the allowance of claims.

Notwithstanding the Examiner's statement of reasons for allowance, Applicant notes that the allowed claims contain different elements and consequently are of differing scope. Also, the allowed claims are a combination of elements, of which some

elements may be old and some may be new. In any event, a single element in a combination of elements does not determine patentability, but rather the combination.

Respectfully submitted,
